The Viking Way

24th February 2020

Issue: Term 4 19/20

Principal's Message:

We hope you and your children have had a lovely half term holiday.

The holiday was a busy time for our builders. Lots of work continues to be done to make sure our children have a lovely building to work in. Unfortunately, not all the jobs were finished due to unidentified complications. The toilets in the new Peach Tree class (old nursery) need to be replaced due to drainage issues - this will be completed in the Easter holiday with a complete refurbishment.

The outdoor work hasn't been completed due to such stormy weather conditions but the builders are hopeful they will be finished in a few weeks.

The most exciting news is that ALL our children are now in the Academy building and at last the mobiles have been destroyed and removed!

From Mrs C May.

Remember our target for
2019-2020 is 96%

Whole school attendance - 94%

Best class for Term 3 - Oak 97%

New Library.

Our new library is nearly ready to be furnished.

The money raised at our Christmas Fayre and any money raised during our Enterprise Week will be used to buy new furniture for our library. Until then we will put back the old bookcases so that we can start to use it again.

NURSERY

We have enjoyed welcoming our new nursery children to our afternoon nursery sessions. We are also delighted to announce that some children are now staying all day.

New Reception Class

This is the new reception room where Cherry Tree Class will be based with Miss Sellars and Mrs Martin.

New Nursery

Our new nursery is now open. As you can see it looks read to welcome our young learners. Exciting times for our children!

ACADEMY COUNCIL.

Our newly elected councillors have a big project to get involved in this term. They will be trying to think of ideas to save electricity. They have already designed posters which they will be displaying in their classrooms.

PARENT CLASS ASSEMBLIES.

Please join us for your child's class assembly.
Prompt 9am start.
